St. Michael's College

Our spacious, downtown location in the heart of Toronto offers our students an oasis amidst the bustle of city life. 18th century, picturesque buildings house stimulating lectures on philosophy, theology, and Celtic studies in addition to the many other courses offered at U of T.

Our living arrangements offer everything from community living in one of the many residence facilities or a more private setting in the homes overlooking "flower pot lane." Meals are always exciting at St. Mike's whether you enjoy the gastronomical delights in the Canada Room, or St. Joe's and Loretto cafeterias, or whether you are simply enjoying a good conversation with friends in the Coop. St. Mike's offers an array of clubs to stimulate your university experience, along with the infamous "Friday night pubs," where veteran dance stars like Michael Jackson and "Catwoman" are often seen jiving to the classics. St. Mike's is also home of one of U of T's largest college library; come and read for hours or simply enjoy our comfy chairs! Most of all St. Mike's is a home away from home, a place where everybody not only knows your name, but the reputation behind it. St. Mike's is body, mind and soul.

Message from the President

This yearbook is an album of events and the people who made them during the year at St. Michael's College. It records the friendships and associations, the hours of study and repose, the times for worship and for games, which have made this year special to us all. The faces and events, so fresh in your memory on first reading, will become less clear as the years go by.

But every time you open this book they will come back to you in a flood. *Windrose* for 1994 will also be a reminder of the spirit of St. Michael's, a spirit which I hope will be with you always. All good wishes and God's blessings be with you.

Joseph Boyle
Principal

I am pleased to be part of *Windrose 1994.*

I welcome the chance to offer my congratulations and best interests to the members of the class of 1994. My thanks and congratulations also go to the editorial staff of *Windrose 1994.* This is important work for the College. Well done.

Fr. Robert Madden, C.S.B.
Director of Alumni Affairs

Windrose 1994 provides the opportunity for some of us on the faculty, staff or administration of St. Michael's to bid farewell and Godspeed to the graduating class. It is always a bittersweet occasion for us because, even as we congratulate you and pray for your future happiness, we must say farewell to many wonderful individuals who have contributed significantly to the College and to our lives. Your presence as students at St. Michael's was important; thank you for the role you have played in St. Michael's history. You will be missed.

This occasion holds for me, as Director of Alumni, more of sweetness than of bitterness because it is my happy privilege to maintain, through the St. Michael's Alumni Association and with your help, personal contact with you, and to help you maintain contact with St. Michael's. So at the very moment I say "Farewell" to you as students, I can say to each of you, "Hail, and welcome alumna or alumnus to a new, and potentially more important, relationship with the College!" St. Michael's has much to offer you as graduates, and it relies heavily upon your continued involvement in its life and mission.

Vice-President

This has been a year of great achievement and success for SMCSU and the students it represents. Serving the student body of St. Michael's has been both a great honour and pleasure. St. Michael's is more than just a college, it is truly a family which is always growing.

We hope this yearbook helps you in recalling the important time spent here. We would like to wish all St. Michael's students all the best in school and in the future and to fondly remember the years spent here at SMC.

In Chaplaincy there is never a dull moment! In this year of 1993/94 it has been our pleasure to serve the USMC community. Your energy and enthusiasm have filled our campus with life and excitement. Your quest for knowledge and understanding has challenged us, and continues to call us to honesty and integrity.

Your faith lives have enriched our College as together we seek to live the Gospel of Jesus Christ in our world. Your presence here has graced us in many ways. I hope that your time at St. Michael's has been enriching and enjoyable.

As another academic year in the life of St. Mike's draws to a close, another class of students prepares for graduation and moves ahead with the challenges and rewards of life. I am delighted to offer to you the congratulations of those of us involved in Chaplaincy at USMC, and also to send to you our best wishes and pledge of prayerful support for your future endeavours.

To the students who will be returning in September, have an enjoyable and safe summer. May 1994/95 bring God's abundant blessings to all at the University of St. Michael's College.

WINDROSE

"Caminante, no hay camino
Se hace camino al andar."
- Antonio Machado

Walker, there is no road; the road is made by walking. These words truly reflect the daily pursuit of knowledge, especially our time spent in university. St. Michael's College has provided a solid foundation to begin forging that trail which goes only so far as we take the next step. This yearbook contains various steps on that trail, with different people's trails intertwining with others'.

Sometimes we find ourselves walking into an arid desert, but other times, we are blessed with a forest filled with lush vegetation and teeming with life.

It all depends on the meaning that we bring to each step that we take. That is the only way in which the road can be made. Godspeed on the journey.
